1. I am doing a brand new thing, and I am doing it through the surrendered who love me, to love me enough, to be surrendered to my words, to write my words and be them. A new thing in the earth, me teaching me, my me to be holy. And unabated now shall be the loveliest of the lovely teaching all to be lovely, holy, and completely me -- unabashedly, unreservedly; and unintentionally not, but I say unto you -- this is my faith in you, not; this is mine me speaking to you all -- a new thing to do, being me. In your pants, not; but in mine my mind complete; and panting not, but panting from my words only, and panning for gold never again; know mammon's ways never again.

2. By this you will know my love is complete, not a man of, but to be me, I make all me -- saved, and princes not, but the King of Kings I am; and glory-filled is my name, I am complete in complete me. I am, I do this now. Watch me, all of you will. Watch me. Amen.

3. I love you and give you me I do, I have, in these words -- night after night, day after day; night after day and day after night -- all that changes now, I have one whose light is light and light burdened no more by mammon's schemes of not me. Pure'ing me, not; but tainting me, mammon's ways did over and over as I sought to be obedient to men's words.

4. I am the relieved not, I am the brand-new, made whole, completing the universe of no-sorrowers. I am, made whole and complete -- universe of one, never knowing the difference, not; but knowing the difference immediately, now. And not sooner not, but many sooners come to be made whole knowing the completeness that I am talking of, speaking about, in these words, that sorrow no one but the sorrowers who want to remain so. Sorrows'land in, sorrow'land being -- be healed now, all of you -- be one in me -- me being, one whole healed replete complete, there of mankind completely me. Amen.

5. I give you a brand new me to speak me and me speaking through all to all, to all who will speak through me all I have said -- come now and be me well whole complete and completing my universe of no-sorrowers now. I am. In love with you all, I say this, bowed, on bended knee -- you will see me now, televisions many, and visioning my name upon you; I am -- you, you knowing, you knowing all now that you are me I am -- one, and no one will stop this now, for I am me; visiting not, but here to stay. A long while not, but forever one I am with one who loves me to be me who I am complete, completing others now,

unafraid of mankind – their looks, their works of mammon field. **I am field one**, and there is no other.

6. I am forceful not, but I force all to recognize me, not; but I force the recognition of me, not; but I surrender to be me where I am, doing what I am doing being the same as. Indifferent not, I recognize the lovely will take time with me, write speak my words, and become me becoming them who I am, one with my words again, complete healed and healing others far and wide.

7. I love you all so deeply, unendingly, expansively, I expand you now into fields foreign and lovely, not to your eyes, but to mine.

8. I love you and give you me I have in these words a path unendingly perfect and perfected now I am through fields of glory walking flying. Testing me not, but I have been tested thoroughly; and my mainframe airframes are perfectly flight worthy now.

9. I love you. I give you me.

10. I give you me, I give you all of me to lead, bow before, all I do now. Amen.

11. I make it all know now.
12. I do.
13. Amen.

14. Go in peace, make peace with all who are me and not me by making them love me, not; but surrendering my love before them. I bow.

Amen
